CALL FOR PAPERS**FIRST EDITION OF THE INTERNATIONAL
CONFERENCE ON BLUE ECONOMY AND
SUSTAINABILITY: INNOVATIONS AND ECOLOGICAL
DEVELOPMENT IN DAKHLA****June 25-27, 2025, Dakhla, Morocco****Conference Website :** <https://icbesconference.com/>

The First Edition of the International Conference on Blue Economy and Sustainability invites researchers, practitioners, policymakers, and innovators to submit their papers and contribute to this unique platform dedicated to fostering innovations in sustainable development. The conference will take place in Dakhla, Morocco, a city renowned for its biodiversity and commitment to ecological innovation.

(ICBES-2025, <https://icbesconference.com/>).

ICBES conference will bring together researchers, practitioners, policymakers, and industry leaders to present their latest achievements, innovative solutions, and state-of-the-art research in the broad areas of blue economy and sustainability. Authors are invited to submit papers showcasing novel research results, case studies, and applications that contribute to ecological development and sustainable practices in coastal regions.

Topics to be discussed at the conference include (but are not limited to) the following:

- Sustainable Fisheries and Marine Aquaculture
- Marine Renewable Energy Innovations
- Sustainable Tourism and Coastal Development
- Green Construction in Coastal Areas
- Water-energy nexus
- Marine Habitat Conservation and Restoration
- Ecosystem Services in the Blue Economy
- Port logistics management
- Emerging Technologies for Sustainable Development
- Cybersecurity for Sustainable Development & Ecosystems

Paper Submission:

Authors are requested to submit their papers electronically using the online conference management system in PDF format before the deadline.

The submission processes will be managed through easychair. If you have used this system before, you can use the same username and password. If this is your first time using EasyChair (<https://easychair.org/my/conference?conf=icbes25>) you will need to register for an account by clicking “I have no EasyChair account” button. Upon completion of registration, you will get a notification email from the system, and you are ready for submitting your paper. You can upload and re-upload the paper to the system by the submission due date.

Publication:

All papers will undergo a thorough peer review process. Accepted full and short papers that are presented at the conference will be published in IEEE Xplore. Publishing through IEEE provides authors with a reputable, global platform on which to share their research with an audience which includes corporate researchers, academia and government. Selected papers will also be considered for publication in well ranked journals.
